

Internet of Your Everything™

[getpixie.com](http://getpixie.com)

## CONGRATULATIONS!

The Pixie™ Points powered by the Pixie™ Technology platform give everyday things a digital identity making them instantly discoverable. With Pixie now you can easily **find, protect and organize the everyday things that matter to you most!**

- Add a Pixie Point to anything you want to keep track of like your **keys, wallet, remote**, or even your cat, and it becomes Pixified!
- **Save time and easily find** any Pixified object that you might have misplaced around the house using our augmented reality app.
- **Create customized checklists** of Pixified items. Running out the door for a business trip? View your bag with the Pixie app to verify that your Pixified charger, laptop, and other essentials are heading out the door with you.
- [Visit www.getpixie.com](http://www.getpixie.com) for more!

## PACKAGE CONTENT

**1 Master Point**  
Place it on your  
Smart Phone

**3 Points**  
Place on your keys,  
wallet, etc..

**1 Curved Surface**  
**Adhesive sticker**

**4 Cleaning Wipes**

**1 Key**  
**ring/loop**

**1 Instructional**  
**Manual**

## TECHNICAL SPECIFICATIONS

- **Bluetooth** 4.1 Low Energy (Bluetooth Smart)
- **Range:** Pixified objects can be located up to 150 feet in line of sight. Everyone's home is different, but a range of 30'-50' indoors is typical. Solid metal walls will further limit the range.
- **Battery:** After 18 long months of typical use, the battery life of your Pixie will be over. At that point, just peel off your old Pixie and stick on another. Pair the new Pixie with your app, and you are good to go.
- **Waterproof** with IP67 certification

## COMPATIBLE DEVICES

- Apple iOS Devices Using iOS 7 or 8: iPhone 5, iPhone 5C, iPhone 5S, iPhone 6, iPhone 6+
- Pixie will be expanding the numbers of models supported in the coming months. If your model is not on the list please reach out to [support@getpixie.com](mailto:support@getpixie.com) and we will get back to you.

## USE AND CARE

- We designed Pixie for everyday life, because sometimes life gets soggy. Pixies can get wet, and even be submerged in around 3' of water for about 30 minutes and be perfectly fine.
- Do not use in extreme hot or cold environments. Keep between 32F/0C and 104F/40C.
- **CHOCKING HAZARD.** Small parts. Not suitable for children under 3 years old. Keep out of reach of young children

## QUICK SET UP

### 1. Search the Pixie App in the Apple Store

*Visit [getpixie.com/app](http://getpixie.com/app) or download from the App Store.*

### 2. Open the Pixie App

## **FCC Notices:**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: — Reorient or relocate the receiving antenna. — Increase the separation between the equipment and receiver. — Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. — Consult the dealer or an experienced radio/TV technician for help

**IMPORTANT:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
